2015 INTERNATIONAL SUMMIT ON THE TEACHING PROFESSION COUNTRY UPDATE ON 2014 GOALS

DENMARK

The Danish Ministry of Education has invited the Danish teacher organizations to participate in several working groups in order to implement the existing legislation and regulations for primary as well as lower and upper and secondary education. Furthermore, following last year's statement, a working group — with participation from both parties — has been established. The working group will discuss issues regarding evaluation and feedback culture across the aforementioned educational areas.
